~ Requests ~

the pleasure of your company.

~ What is Breaking Bread with Friends? ~

A group of 8 parishioners who gather monthly to enjoy a meal together. Breaking Bread (formerly known as Dinner Circles) is a way to make new connections while growing the parish community.

~ Who can join? ~

All adult couples and singles in the parish.

~ How long, and where do we meet? ~

Each group meets around once a month for six months. Each participant (s) hosts one meal. There is no long-term commitment. It's all about fun! You could gather for dinner or lunch or breakfast at your home, barbeque in your backyard, or picnic at the park or beach. Whether it's a potluck meal, or pizza and beer — it's about friendship, not pressure!

~ How do I join? ~

Simply complete the [online registration form](#) (be sure to fill in all information!) and click send. You will then be placed in a group, and the group's facilitator will contact you. Plan to attend a casual "kick-off" gathering on Sunday evening to learn more.

~ Would I like to be the "Contact Person"? ~

This person hosts the first meal and schedules the group. Everyone brings their calendar, and the dinners are planned for the six month period. Each group arranges get-togethers as they please.

~ How are groups formed? ~

Married couples will be placed in the same group and single people may choose to team up with a friend or relative. Groups are then randomly assigned by the Dinner Circle Committee. It's all about fun and getting to know folks in your parish !
