

Our Lady of Fatima Catholic Church

~ cordially invites you ~

Dinner Circle

~ What is a Dinner Circle? ~

A group of 8 parishioners who gather monthly to enjoy a meal together. A dinner circle is a way to make new connections while growing the parish community.

~ Who can join, and How?~

All adult couples and singles in the parish. When we receive your registration, you will then be placed in a group and the group's facilitator will contact you.

~ How long, and Where do we meet? ~

Each circle meets around once a month for six months. Each participant (s) hosts one meal. There is no long- term commitment. It's all about fun! You could gather for dinner (or lunch or breakfast) at your home, barbeque in your backyard, or picnic at the park or beach.

Be it a potluck meal, or pizza and beer — it's about friendship, not pressure! Host provides the main course and beverages, and everyone else brings a side dish or dessert.

~ How are groups formed? ~

Married couples will be placed in the same group and single people may choose to team up with a friend or relative. Groups are then randomly assigned by the Dinner Circle Committee.

It's all about fun and getting to know folks in your parish !

~ Would I like to be the "Contact Person"? ~

This person hosts the first meal and schedules the group.

Everyone brings their calendar, and the dinners are planned for the six month period.

Each group arranges get-togethers as they please.

~ Great idea! When do we start? ~

Registrations (forms or on-line) must be received by Oct. 23, 2011.

Group facilitators will be contacted by Oct.29, 2011.

Dinners can begin as early as November with the final gathering by June 2012.
