This requires that you stand in front of the community and state your desire to prepare yourself for the sacrament. The Ritual of Commitment date is established at the beginning of each enrollment period

Step Three

1. Saint Report

The purpose of selecting a Saint's name for Confirmation is to identify a person who can serve as a model for leading a Christ-filled life. You are encouraged to ask this saint for support during your time of preparation. Using your baptismal name as your confirmation name is strongly encouraged but not required.

The Saint Report need be only one type written page and it needs to include three items: 1-The name of the Saint, 2-The qualities he/she possesses that you admire, and 3-How you intend to incorporate those qualities into your life now and in the future.

You may e-mail the report to plynn@olfchurch.net

2. Certificate from "Shield the Vulnerable" Website

This site is dedicated to raising awareness of abuse and neglect, and providing resources to help protect the most vulnerable members of our communities. The diocese requires all teens entering the Confirmation Program to participate in this program.

To complete this requirement go to www.shieldthevulnerable.org, click on **1st Time Diocese Sign Up**; under list of Diocese click **Orange**, under Status Selection select **teen**, fill in user information and then follow the directions. Upon completing, print out your certificate and turn it into the Confirmation Office.

Notification of Completion and instructions for class registration will be sent to you shortly after requirements have been received in the Confirmation Office.
